Compendium of Relevant Reference Materials and Resources on Ethical Sourcing and Prevention of Trafficking in Human Beings for Labour Exploitation in Supply Chains

This online database is based on the publication *Compendium of Relevant Reference Materials and Resources on Ethical Sourcing and Prevention of Trafficking in Human Beings for Labour Exploitation in Supply Chains* (Second updated edition) published by the OSCE Office of the Special Representative and Co-ordinator for Combating Trafficking in Human Beings (OSR /CTHB) in April 2020. The print publication can be found here.

The main purpose of this database is to keep the important information contained within the Compendium current, and in doing so improve its use by governments, research institutions and

other experts. The database contains the materials listed within the print publication, providing access to them in an online and searchable format.

Foreword

Acknowledgements

Acronyms and Abbreviations

National Legislation, Policies and Other State Initiatives

International Treaties, Political Commitments, Reports and Other Initiatives by International Organizations

Civil Society, NGOs, Academia and Private Sector Initiatives

Comments?

This database is regularly updated by the OSR/CTHB to ensure that its information is accurate and that new materials are readily accessible. If you believe some information within the database is missing or discover an error, please contact OSR/CTHB
