

World Economic Forum (WEF)

Name of Resource	Hedging Risk by Combating Human Trafficking: Insights from the Private Sector
Type	Report / analysis
Country / jurisdiction	Global
Organization	World Economic Forum
Initiative launch date	18 February 2015
Description	The publication is intended to function as a toolkit for companies interested in adopting practices that will limit sexual and labour trafficking. It provides an overview of current trends, initiatives and partnerships in the private sector. In doing so, it focuses on how technology is helping raise awareness and target traffickers, the critical role that corporate leadership plays, and the importance of employee-led initiatives. The publication is designed to help companies share best practices so they can mitigate their risks and help eliminate this heinous practice. In this first of the series, the authors highlight insights and technology-driven interventions in the hospitality, finance, and transportation industries.
