Name of Resource	KnowTheChain
Type	Traceability/practical tool
Country / jurisdiction	Global
Organization	Humanity United, the Business & Human Rights Resource Centre, Sustainalytics, Verité
Date of publishing	2016
Description	KnowTheChain is a resource for companies and investors to understand and address forced labour risks within their global supply chains. KnowTheChain uses benchmarking as a tool to identify and share best practices, and as a way to harness the competitive nature of markets to create a "race to the top" that encourages companies to adopt standards and practices that protect the worker's well-being. KnowTheChain's goal is to inform companies' and investors' decision-making, and enable companies to operate more transparent and responsible supply chains.
