

# Responsible Mica Initiative 2018 Report

Name of Resource	Responsible Mica Initiative 2018 Report	
Type	Platform for co-operation, Report/analysis	
Country / jurisdiction	India	
Organization	Responsible Mica Initiative	
Date of publishing	November 2018	
Description	The Responsible Mica Initiative is a cross-sector association in which private, public and non-profit sectors collaborate to achieve a responsible supply chain relating to Mica. The initiative regroups stakeholders that acknowledge the need for more collaborative actions and concrete cross-industry actions in order to scale up these individual initiatives for long-term impact.
