Responsible Labour Initiative

Name of Resource	Responsible Labour Initiative
Type	Platform for co-operation
Country / jurisdiction	Global
Organization	Responsible Business Alliance
Date of initial launch	2004
Description	The Responsible Labour Initiative (RLI) is a multi-industry, multi-stakeholder initiative focused on ensuring that the rights of workers vulnerable to forced labour in global supply chains are consistently respected and promoted. RLI solutions are based on leading Responsible Business Alliance standards, programme and partnerships that will be extended to other industries through membership in the RLI and will work in conjunction with complementary solutions to better address these issues.
