Des cript ion	Tiscreport.org is an Open Data Register committed to ending modern slavery and supply chain labour abuses, joining with Transparency In Supply Chains (TISC) global reporting. As an open data initiative, it meets the compliance requirements of Section 54 of the Modern Slavery Act 2015. Companies can use the platform to: share their annual TISC statement; share their annual Welsh Government Ethical Employment in Supply Chains Code of Practice Commitments; check their supply chain for non-financial risks, from non-compliance with the Modern Slavery Act to corporate convictions; increase their transparency and visibility to companies over £36M turnover; upload their statement for free; add more companies to their portfolio; freely access data and reports.
