

VF Traceability initiative

Name of Resource	VF Traceability initiative
Type	Traceability/practical tool
Country / jurisdiction	Global
Organization	VF Corporation
Date of initial launch	2018
Description	VF's supply chain spans approximately 50 countries and thousands of contract suppliers. The company sets out to ensure that its products are made with responsibly sourced materials by tracing where they originated. VF's traceability initiatives intend to provide visibility into some of their most pressing supply chain issues and risks. VF partners with its suppliers to bring best practices to their businesses and help prevent any occurrence of human rights violations.
