D e s c r i p t i o n	Clear Wave is a transparency business-labelling initiative. The main objective of the initiative is to encourage a transparent and ethical Lithuanian business practice. Companies involved in this project assume the responsibility for the creation of a responsible and transparent way to operate, and to encourage their business partners to: take transparent and fair participation in the tenders (public procurement) – without corruption to their organizers and members of the jury, without resorting to illegal financial and non-financial measures to gain advantage against other participants; comply with the laws of the Republic of Lithuania and fairly pay the fees and taxes provided; maintain transparent accountability and payment to their employees.
