Description	The Fair Hiring Toolkit offers tools, guidance, and approaches to support the responsible recruitment and hiring of migrant workers in global supply chains. In the Fair Hiring Toolkit, investors will find material that can be used to support investor campaigns, corporate advocacy, shareholder dialogue and investment analysis. Readers will find material relating to corporate codes of conduct, training and capacity building, reporting and transparency, and social auditing, with each focused on preventing the risks of recruiter-led forced labour and protecting migrant workers. These tools can help evaluate a company's level of risk and commitment; and support advocacy to improve corporate policies, programmes and performance against exploitation in the supply chain.
