

IWAY – IKEA code of conduct

Name of Resource	IWAY – IKEA code of conduct
Type	Corporate Policy
Country / jurisdiction	Global
Organization	IKEA
Date	2000
Description	IWAY is the IKEA code of conduct, which specifies the requirements that the company places on suppliers of products and services and details what they can expect in return from IKEA. In addition to the main document, there are several industry-specific supplements and a special code of conduct for child labour. IKEA suppliers are responsible for communicating the content of the IKEA code of conduct to their employees and sub-suppliers.
