De scri ption	In August 2013, the Danish Institute for Human Rights (DIHR) and the International Corporate Accountability Roundtable (ICAR) launched a joint project to develop guidance on NAPs in the form of a toolkit for use by governments and other stakeholders. DIHR and ICAR undertook a global programme of consultation with representatives of governments, civil society, businesses, investors, academia, NHRIs, and regional and international organizations, which fed into the contents of the first edition of this Toolkit, published in 2014 and updated in 2017.
