

Guide - Fighting Social Dumping in Public Procurement and Concessions

| Name of Resource | Guide - Fighting Social Dumping in Public Procurement and Concessions |
|-------------------------------------|--|
| Type | Guidance on policy / legislation implementation |
| Country / jurisdiction | Belgium |
| Enacting authority | Chancellery of the Prime Minister of Belgium |
| Entry into force / date of approval | 2016 |
| Description | <p>The Belgian Federal Government has strengthened its measures to combat social dumping in the context of public procurement and concessions.</p> <p>The guide covers these measures and is addressed to all contracting authorities in Belgium. Most of them concern the procurement procedure. The guide also proposes recommendations on measures to fight against social dumping during the execution of contracts.</p> <p>The prevention of human trafficking through public procurement is discussed in section 4 of the guide.</p> |
