

Guidelines for a Public Business Policy and Human Rights

Name of Resource	Guidelines for a Public Business Policy and Human Rights
Type	Guidance on policy / legislation implementation
Country / jurisdiction	Colombia
Enacting authority	Presidential Programme on Human Rights of Colombia
Entry into force / date of approval	July 2014
Description	These guidelines have been developed by the public and private sector as a framework for companies operating in Colombia on how to respect human rights. Its aim is to be used as a unifying and guiding document that ensures that public, private and mixed investment projects generate development that respects the rights of all citizens. The objective of the lines of action contained in this strategy is for the private sector to learn how to manage risks and ensure compliance with human rights so as to develop sustainable economic development.
