

Interagency Task Force on Forced Labor in Fishing in International Waters

Name of Resource	Interagency Task Force on Forced Labor in Fishing in International Waters
Type	Report/Analysis
Country / jurisdiction	United States of America
Enacting authority	Department of Justice
Entry into force / date of approval	2018
Description	Senate Report (115-139) accompanying the Consolidated Appropriations Act 2018 (P.L. 115-141) directed the Department of Justice to lead a multi-agency task force to address the legal and jurisdictional issues related to forced labour in fishing in international waters. The goal is to convene federal agencies that handle law enforcement, labour law, and international issues to develop a report and recommendations for a coordinated response to address the complex legal and jurisdictional issues involved.
