

The OECD Due Diligence Guidance for Responsible Mineral Supply Chains

Name of Resource	The OECD Due Diligence Guidance for Responsible Mineral Supply Chains
Type	Guidance on policy / legislation implementation
Country / jurisdiction	Global
Organization	Organisation for Economic Co-operation and Development
Initiative launch date	2016
Description	<p>The OECD Due Diligence Guidance provides detailed recommendations to help companies respect human rights and avoid contributing to conflict through their mineral purchasing decisions and practices. This Guidance is for use by any company potentially sourcing minerals or metals from conflict-affected and high-risk areas. The OECD Guidance is global in scope, and applies to all mineral supply chains.</p> <p>The 3rd Edition of the OECD Due Diligence Guidance was published in April 2016. This booklet contains the OECD Council Recommendation, the text of the Guidance, the 3Ts Supplement and the Gold Supplement. The updated version clarifies that the Guidance provides a framework for detailed due diligence as a basis for responsible supply chain management of minerals, including tin, tantalum, tungsten and gold, as well as all other mineral resources.</p>
